

8. GLOUCESTER STREET – PARKING RESTRICTIONS

A report from the Area Engineer and the Local Area Traffic Management Scheme Co-ordinator sought the Board's support for a bus stop outside Christchurch East School to revert to a school bus stop, the installation of a bus stop east of the school entrance and a parking restriction to be installed along the school frontage.

A suggestion put forward by the Inner City East Neighbourhood Group that a zebra crossing be located in front of the school so that children could cross safely on Gloucester Street was not supported as Council officers had been told the school would not be in a position to have children/teachers on patrol there and only six or so children a day crossed in front of it.

The Board **decided** to recommend to the City Services Committee.

1. That the bus stop on the northern side of Gloucester Street commencing at a point 192 metres from its intersection with Barbadoes Street and extending in an easterly direction for 24 metres be removed.
