

4. **JOINT CHRISTCHURCH CITY COUNCIL/
ENVIRONMENT CANTERBURY ACHIEVEMENTS 1999-2001**

A report by the Director Regional Planning highlighted the activities and achievements of the Joint Committee during its current term of office.

It was noted that some change of the delegations of the Joint Committee from its parent Councils might be sought in the new term, so as to enable the Joint Committee to report direct to its respective Councils.

Recommendation: That the summary of achievements by the Joint Christchurch City Council/Environment Canterbury Committee meetings during its 1998-2001 term be received.
