

10. COMMUNITY FACILITIES ANNUAL USE REPORT, 2000/01

The Board was in receipt of a report, from the Assistant Community Adviser, which detailed the community usage of the three (Council-owned, and managed) facility halls, being the Riccarton Community Centre, Hei Hei Community Centre, and the Waimairi Road Community Centre.

Overall percentage usage ranged from 45% to 60%, with two of the halls achieving usage increases of 11% and 18%.

Two of the halls recovered full operating costs from revenue hire, the third being 11% below full cost recovery.

In **receiving** the report, the Board has referred the annual reports to its Community Affairs Committee for analysis and discussion on future plans, increased usage etc.
