

#### 24. HALSWELL AQUATIC CENTRE ARTS PROJECT - REQUEST FOR FINANCIAL ASSISTANCE

The Legal Arts Co-ordinator (Sharon Williams) provided a report, requesting Board consideration for funding for a legal arts project upon the corrugated iron fence at the Halswell Aquatic Centre.

The total cost of the project was estimated at \$2,000 and experience has shown these projects can have a significant benefit to the youth involved, and the local community.

Board members recalled the success of the Kyle park Underpass project, which had been completed recently, and funded by the Board.

The Board **resolved** to make a grant of \$2,000 to enable the Legal Arts Co-ordinator to complete the Halswell Aquatic Centre project, to be funded from the Board's 2001/02 Discretionary Fund.

Funding from the Leisure Unit would be sought thereby lessening the Board grant amount.
