

## 1. DEPUTATIONS BY APPOINTMENT

### (a) Sharon Williams, Legal Art Co-ordinator and John Robinson, Shirley Community Trust

Sharon and John and two of the artists presented the community art work planned for the Shirley Neighbourhood Centre. They explained to the Board the process they have been through to get the project to this stage. John stated they had met with the Management of the Shirley kindergarten next door, and a kindy-friendly design had been planned for the wall. A letterbox drop to the Shirley residents will be undertaken in the next week, and the project will also be taken to the Shirley Network group. The painting day is planned for 22 September or one week later, depending on the weather. This day will be a community day with a sausage sizzle and other activities. Board members were invited to attend.
