

15. COLOMBO STREET SHUTTLE BUS STOP

The Subcommittee considered a report on the relocation of the shuttle bus stop on the western side of Colombo Street from the south side of Armagh Street to the north side adjacent to Victoria Square.

The Subcommittee **decided** in the interim that the status quo remain and that a further report be provided allowing for the shuttle bus stop to remain in this locality with the conversion of existing parking meters to P5 parking spaces together with an additional separate area for the shuttle bus as requested by Environment Canterbury.
