

2. CYCLE SAFE

The Board considered a report from the Schools Advocate on “Cycle Safe”, the Council’s Road Safety Education Programme. Dates during Term 2 for participating schools in the Board’s area were noted. It was **agreed** that the matter also be raised at the next meeting between the Board and the North-West Schools Principals’ Cluster.

The information was **received** and further it was **decided** that members of the Board endeavour to attend at least one of the local sessions.
