

## 20. RAY BLANK PARK - GLOBE EVENT

The Community Recreation Adviser reported on the multi-cultural event (Globe) staged at Ray Blank Park on Saturday 10 March 2001.

Members expressed their appreciation for the way in which the event had been organised and run. With about 2000 people attending it was suggested that a review of the publicity and marketing arrangements would be appropriate. It was also felt that the name 'Globe' be reviewed as part of the planning for the Board part funded event in 2001.

Members viewed a brief video of the event.

The Board **resolved**:

1. That a locally based multi-cultural event be held annually.
2. That the event be staged during the warmer mid-summer weather.
3. That the planning committee also include two community representatives.
