

7. WESTERN BUS SERVICE REVIEW – RUSSELY SERVICE

One of the outcomes of the Western Bus Service Review was the need to provide a new bus stop in Russley Road to service the surrounding catchment area as a result of an extension to the current Russley route.

The criteria used in the consultation process to identify a suitable bus stop location was elaborated on in the report.

In supporting the proposal the Board **decided** to recommend to the City Services Committee that a bus stop be installed on the west side of Russley Road commencing at a point 80 metres from its intersection with Dinton Street and extending in a northerly direction for a distance of 12 metres (11 Russley Road).
