

15. SUMNER OUT OF SCHOOL CARE AND RECREATION SERVICES (SOSCARS)

The Board considered a report providing information on funding allocated to the SOSCARS programme and seeking confirmation of action recommended by the SOSCARS Working Party.

The Board **resolved**:

1. To give its approval for the proposed grant of \$10,000 to SOSCARS for the purpose of building relocation carried forward from 1999/2000 to instead be utilised to meet the present shortfall in SOSCARS' operating expenses.
2. That, as recommended by the working party:
 - (i) The OSCAR network be requested to review SOSCARS' operations and management structure and report back to the Board with its findings.
 - (ii) The supervisor of SOSCARS and the management committee be advised of this decision and further advised that once SOSCARS has agreed to accept the proposed review, the Board will approve payment of the grant of \$10,000 to meet the current shortfall in operating expenses.
3. That the working party of the Board previously involved in Early Childhood Education and Out of School programmes be re-established as a subcommittee of the Board.
