

14. SUNNYSIDE RESERVES LAND ACQUISITION

The Parks and Waterways Manager reported, recommending that a subcommittee of the Parks and Recreation Committee be set up to consider the issues pertaining to the proposed acquisitions of land through subdivision of the former Sunnyside Hospital site.

The Committee **decided** that a subcommittee comprising the Chairman, Councillors Anderton, Corbett and Sheriff be appointed to investigate the issues in detail, and to bring a recommendation to the May meeting of the Committee.
