

4. SUNNYSIDE RESERVES LAND ACQUISITION

The Board considered a report on the proposed acquisition of land for reserve purposes, plus a heritage building and the site it is located on, at the ex-Sunnyside Hospital site.

The following people spoke to the report:

- Michael Aitken, General Manager, Facilities and Business Development, District Health Board
- Brian Gillman, Developer
- Warren McCall (representing Brian Gillman)
- Malcolm White, local resident.

The Board **decided** to:

1. Receive the information.
2. Recommend to the Parks and Recreation Committee that it should investigate acquisition of the proposed building and land purchases on the ex-Sunnyside Hospital site.
3. Advise the Parks and Recreation Committee of its support for the establishment of the large reserve fronting Annex Road.
4. Advise the Parks and Recreation Committee of its support, in principle, for the acquisition of the Administration Building.

(Note: Barry Corbett and Ian Howell recorded their vote against clause 4 of the resolution. Sue Wells abstained from voting on clause 4.)
