2.3 BOTTLE LAKE FOREST PARK JUNIOR GOLF AREA PROPOSAL

John Wormald from the Windsor Golf Club was in attendance to propose leasing a section of the Bottle Lake Forest Park to develop a junior golf and practice area.

Mr Wormald saw development of a junior golf course as preferable to a dog exercise and wetland area. He suggested that additional facilities for junior golf are needed; currently only the Coringa course has such a facility. If a junior golf area is developed, the Windsor Golf Club would maintain the course and build on the popularity of its junior development programme. The junior course would be open for public use.

The Board **decided** that a report be requested from the Parks and Waterways Unit on plans for the Bottle Lake Forest Park frontage area on Waitikiri Drive and how the junior golf area proposal fits in with the management plan.
