

19. TRUMAN ROAD OAK TREE

The Committee considered a further report outlining concerns of two residents at 51 and 53 Truman Road with regards to an oak tree planted in their footpath. The residents had expressed concern at the effect of the location of this tree in regard to access to their properties.

The Committee **decided** that the matter be referred to the Street Trees Subcommittee consisting of the Chairman of the City Services Committee, Councillors Evans and Wright and the Chairman of the Fendalton/Waimairi Community Board for an on-site inspection and a further report to the September meeting of the City Services Committee.
