

12. 'OUR CITY' PROJECT

A report from the Senior Heritage Planner provided background and progress to date on the 'Our City' project currently under way in the Municipal Chambers, corner of Worcester Boulevard and Oxford Terrace.

The Committee **decided**:

1. To review the Council's resolutions relating to the 'Our City' project including references to the Christchurch Environment Centre organisation.
2. To look at further options for the naming of the centre building.
3. To add Councillor Sue Wells to the 'Our City' Environment Centre Subcommittee.
4. To receive the information.
