

1. DEPUTATIONS BY APPOINTMENT

1.1 Asian Youth Trust

A deputation, led by Yiyi Ku, presented submissions outlining the financial situation in relation to the former Co-ordinator's position and a need to make a payment of \$3,295 (excluding GST) to the Canterbury Development Corporation.

Members were supportive of the request for funding help although to be conditional on equal contributions also being agreed to by the other affected Boards, namely Shirley/Papanui and Riccarton/Wigram.

Separate consideration was also needed regarding the support necessary to fund, on an on-going basis, the Co-ordinator's position which was currently vacant.

The Board **decided** that the application for financial assistance from the Asian Youth Trust be supported conditional on an equal contribution coming from the three affected Boards (\$1,100 each excluding GST) and further that the Finance and Planning Committee identify a funding source and report back to the Board.
