## REPORT OF THE CITY MANAGER

### PART A - MATTERS REQUIRING A COUNCIL DECISION

#### 1. FERRY ROAD BUS STOP

<b>Officer responsible</b> City Manager	<b>Author</b> Peter Mitchell, DDI 371-1549
--	---

At its meeting on 26 July 2001 the Council resolved:

*“That a bus stop be installed on the north-east side of Ferry Road commencing at a point 21 metres from its intersection with Charlesworth Street and extending in a north-westerly direction for a distance of 13 metres.”*

Since that resolution was passed representations have been received from the householder whose property is most affected by the location of the bus stop and after discussion it is proposed to relocate the bus stop. The effect of a relocation is that two new bus stops are created, one in Charlesworth Street and one further along Ferry Road. The owners of one of those properties have granted consent to the bus stop being located outside their property and it is anticipated that the other consent will be forthcoming by the time of the Council meeting.

The Council's Standing Orders provide that a Council resolution may be revoked or altered on a recommendation contained in a report by the Principal Administrative Officer.

Given the nature of the proposed change, it is considered that this report is an appropriate form to revoke the July Council resolution in this particular situation.

Accordingly the following recommendation is made:

**Recommendation:** 1. That the following resolution passed by the Council at its meeting on 26 July 2001 be revoked:

*“That a bus stop be installed on the north-east side of Ferry Road commencing at a point 21 metres from its intersection with Charlesworth Street and extending in a north-westerly direction for a distance of 13 metres.”*

2. That the following resolutions be passed by the Council:

*“(a) That a bus stop be installed on the north-east side of Ferry Road commencing at a point 17 metres from its intersection with Charlesworth Street and extending in a south-easterly direction for a distance of 15 metres.*

*(b) That a bus stop be installed on the north-west side of Charlesworth Street commencing at a point 23.5 metres from its intersection with Ferry Road and extending in a north-easterly direction for a distance of 14 metres.”*

**CONSIDERED THIS 23RD DAY OF AUGUST 2001**
