

## 2. DEPUTATIONS BY APPOINTMENT

### 2.4 Charleston Neighbourhood Committee

John Hoskins, on behalf of the Charleston Neighbourhood Committee, addressed the Board and answered questions on the Charleston Neighbourhood Plan.

John Hoskins raised concerns about the statement relating to the road widening of Ferry Road. Aside from that he considered that the planners should be commended and commented that the consultation process so far had been excellent.

He did have concerns about the state of Ferry Road. He was advised that there is not a specific time frame for the kerb and channel. However, part of the footpaths will be resurfaced this financial year.
