

## 2. DEPUTATIONS BY APPOINTMENT

### 2.3 Mt Pleasant Community Centre and Ratepayers' Association

Bruce McKessar, on behalf of the Mt Pleasant Community Centre and Ratepayers' Association, addressed the Board.

Bruce informed the Board that the Association surveyed 1700 households in order to gain feedback for activities they would like to see at the Centre. From a response rate of about 10 percent the most sought after programmes included computer training, child care and out of school programmes. He sought Board information as to how these gaps could be addressed.

The Board advised him to discuss the issues with Delia Walker (Community Recreation Adviser).
