

2. DEPUTATIONS BY APPOINTMENT

2.2 Nayland Street

Colin Simpson, a resident of Nayland Street addressed the Board about the concerns he has with the proposed roading changes to Nayland Street and drainage issues.

He requested the investigation and establishment of a secondary flow-path to Sumner beach to mitigate serious flooding from residential stormwater and catchment flood water from Richmond Hill Valley during heavy rainfall.

He also requested the construction of a modest “poached egg roundabout” at the Nayland/Wakefield intersection and traffic calming measures.

He requested that a survey questionnaire to determine the collective decision of all Sumner residents regarding the proposed changes.

This clause also relates to clause 8.6.
