

10. PROPOSALS FOR AN ELECTRIC BARBEQUE IN SOUTH HAGLEY PARK

The Board was in receipt of a report, first presented to the Hagley/Ferrymead Community Board by its Parks and Waterways Advocate, on a proposal for an electric barbeque to be sited in South Hagley Park; the initiative for this proposal came from the Deans Avenue Precinct Society.

The Hagley/Ferrymead Community Board, at its meeting held on 4 July 2001, supported the proposal, subject to siting and consent issues; also, that our Board match their funding approval (of \$1,500) with a service club being enlisted to be the third provider.

The Board was supportive of the request and **resolved** to allocate \$1,500 from its 2001/02 Discretionary Fund as its share towards the South Hagley Park electric barbeque.
