(e) Police Update

Graeme Cairns reported on issues in the Shirley and Papanui wards. He stated there would be a new traffic unit working out of the Papanui Police station, and that Jerry Jackson would be the new Board liaison officer. He advised that they were currently short of staff but there would be some new recruits arriving in the next six months. Graeme stated that he had received only one complaint regarding the Mongrel Mob crackdown, and that Shirley as a whole was supportive of it. The Board congratulated Inspector Cairns on his handling of the issue, and on the Police's work in Burnside/Fendalton.
