The Board considered relevant information relating to the traffic conditions in Fifield Terrace between Wilsons Road and Ensors Road.

The Board **decided**:

1. To support, in principle, the installation of one way angled slow points in Fifield Terrace between Wilsons Road and Ensors Road.
2. That a sub-committee of the Board meet with local residents, including those in Acorn Close, to work towards a consensus solution that also addresses policing issues.
3. That the sub-committee be comprised of the Heathcote members of the Board, namely, Oscar Alpers, Lynda Carter, Sonia Gill, Sue Wells, and Ian Howell.
