

3. PROPOSED LOCAL PARK – CORNER SELWYN/DISRAELI STREETS

The Board considered a report seeking the Council's approval to create a local park at the corner of Disraeli and Selwyn Streets. The parcel of land involved is the balance of the road deviation land acquired by the Council for the roading work completed last year. This report will also be considered by the Parks and Recreation Committee at its meeting scheduled for 8 August 2001.

It was decided to **recommend**:

1. That Council support the creation of a new local park on the Council owned land at the corner of Selwyn and Disraeli Streets.
2. That the Parks and Recreation Committee:
 - (a) Approve the transfer of the land in question to the Parks and Waterways Unit for development and use as a local park.
 - (b) Adopt the above resolution.
3. That the new Board initiate a similar forum to "The Big View" early in its term.
