

12. SISTER CITY RELATIONSHIP WITH INHANBANE/MAXIXE: MOZAMBIQUE

The Committee considered a report from Dave Adamson, International Relations Co-ordinator, updating the Committee on the progress of this relationship.

The Committee **decided**:

1. To endorse the concept of this project in principle for an initial period of three years, with support through the International Relations section, and that it work with MFAT and Save the Children New Zealand to secure funding.
2. That, through the Annual Plan, the Council contribute 50% of the costs up to \$12,500, each year for three years, on the understanding that the remainder of the funding is found elsewhere, and that the funds provided by the Council are used locally.
