

2. DEPUTATION BY APPOINTMENT

2.1 NEW ZEALAND POLICE

Community Constable Gerry Jackson highlighted crime statistics for the July to December 2000 period for the Papanui Police District. Pleasing reductions had occurred in relation to house burglaries and vehicle conversions in particular. The Highway Patrol had commenced over the Christmas/New Year period and the Back to School Campaign was presently under way.

Constable Jackson was thanked for the report and the Board **decided** that funding issues affecting the Police and the impacts on community based operations be a discussion topic at the forthcoming Board/Police meeting.
