

24. CEMETERIES ENHANCEMENT PROGRAMME 2000 - 2005

The Board considered a report outlining the proposed development and landscape enhancement works proposed for the city cemeteries in the Board's area.

The Board **resolved:**

1. To receive the information.
2. That a report on the possibility of the removal of the sexton's house from the Barbadoes Street cemetery be sought and that extra money be sought for the restoration and maintenance of the historic Barbadoes Street cemetery.
