

2. DEPUTATIONS BY APPOINTMENT

2.1 Linwood Park Skate Ramp

Stef Harris, Community Constable, addressed the Board expressing concern at the increase in the number of offences community police have noted since the skate park was opened.

They considered that the long term solution is to support a youth worker to supervise the park while it is open. The Community Constable provided a submission suggesting the appointment of a youth worker.

Gary Harrow, Area Parks Officer, presented correspondence between himself and Graeme Roberts, Centre Manager, Eastgate Shopping Centre. Mr Roberts, in his letter, expressed concern about problems the Shopping Centre has experienced since the skate ramp opened.
