

32. GRANT FOR WOOLSTON DEVELOPMENT PROJECT

The Board considered a report requesting the allocation of \$6,000 from the Community Initiatives Projects Fund to the Woolston Development Project to assist with the process of making out a school programme stronger and more self reliant.

The Board **resolved** to allocate \$6,000 from the Community Initiatives Projects Fund (money set aside for use in the Out of School area) as a grant to Woolston Development Project for use in areas such as training, to advance the setting up of a pool of relief workers and the support and ongoing development of the Group of After School Programmes.
