PORT HILLS 2000 – PROJECT REVIEW

Dr Diana Menzies, Environmental Chair, Port Hills 2000 Advisory Group, outlined the achievements of Port Hills 2000. The presentation covered the initiatives undertaken by the group, the land purchased for environmental protection and recreation purposes, fundraising and the handover arrangements.

At the conclusion of the presentation, the Chairman thanked Dr Menzies and her committee for their excellent work and congratulated them on their achievements over the past five years.
