

9. **ENVIRONMENT CANTERBURY PUBLIC BUS ROUTE – COMMUNITY CONSULTATION**

It was drawn to the attention of the Board that recent decisions of Environment Canterbury regarding the routing of the Hornby bus service through Middlepark Road and Craven Street have drawn concerns from some residents. Whilst the Board had received a full deputation from Environment Canterbury last year on this new bus service and proposed routes it was **agreed** that Environment Canterbury be invited to attend the next meeting of the Board's Works and Traffic Committee (16 February 2001) to discuss this issue.
