

4. DEPUTATIONS BY APPOINTMENT

(b) **Hussey Road Residents**

Peter Luxton and Bob Clarke, residents of Hussey Road spoke to the Board regarding the midge problem they have been experiencing at their homes. They believe the problem has become worse since the Council removed some trees near to their properties several years ago. The ground is now open and boggy, and a breeding ground for insects. They would like the trees replaced. The Chairperson requested that staff report back to the Board on the removal of the trees and the possibility of replacing them.
