

22. PAPANUI FACILITY – NEEDS ANALYSIS – SUMMARY REPORT

The Community Advocate presented the final summary report from Ray Sleeman on the Papanui Facility. The Board **resolved:**

1. That the Project team be extended to include the Papanui Leagues Club, St Bedes and the Adventist School.
2. That a concept development plan for community facilities be prepared with preliminary costings. Issues to be resolved would be addressed as part of the concept development process.
3. That the completed draft concept plan be presented to the Shirley/Papanui Community Board.
4. That the Papanui Advocacy Team liaise closely with the Fendalton/Waimairi Advocacy team to ensure that any proposed developments in the two areas are complementary to each other.
5. That the draft concept plan be promoted in the Papanui community to obtain public feedback on the proposal.
6. That a meeting of the project team be held in early February 2001.
7. That a detailed submission including estimated costs be presented to the Community Services Committee and the Annual Plan Working Party at the appropriate time.
8. That the Chairperson and deputy Chairperson attend the relevant meetings, and that community groups be encouraged to make submissions.
