

### 3. PETITIONS

#### 3.1 Hunter Terrace

The Area Parks Officer addressed the Board regarding a petition received with suggestions for opportunities in Hunter/Waimea Terrace.

The Board **received** the petition and **decided** to refer it for consideration as part of the formal consultation process currently under way.

#### 3.2 Proposed Reconstruction Prossers Road/Wades Avenue Junction

The Area Engineer addressed points raised in a petition requesting that additional work, including undergrounding, be undertaken in conjunction with the proposed redevelopment plan for Prossers Road and Wades Avenue (St Martins Road to Wilsons Road).

The Board **received** the information and **decided** that clarification of the undergrounding policy be reported back to the next scheduled Community Affairs Committee meeting.
