

### 13. PUBLIC CONSULTATION ON THE LIBRARY/SERVICE CENTRE IN THE SOUTH

The Board considered a report outlining the outcome of public consultation meetings, and providing an update of the results.

The Board **received** the information and **decided** that:

1. In light of the favourable response from the community through the public consultation process, the proposal be confirmed as the preferred strategy of the Spreydon-Heathcote Community Board for providing library and service centre facilities in the south of the city.
2. The Project Team be asked to give particular consideration to access issues.
