

13. ITEMS RECEIVED

The Committee **received** the following reports:

13.1 **Central City Revitalisation Consultation Process - Summary Report**

This report summarised the outcome of the public consultation on the development of the central city strategy and suggested that there was strong support and interest in making the central city a more exciting and vibrant place. Many of the suggestions received have or will be incorporated in the reports coming to the Council over the next few months including the report entitled "Central City Strategy - Stage 1".

13.2 **Review of CDC Cash Reserves and Ongoing Commitments**

The Chief Executive Officer, CDC, submitted the results of the most recent review of CDC cash reserves and ongoing commitments.

13.3 **Six Monthly Monitoring Reports**

The Committee reviewed the following monitoring reports for the period to 31 December 2000:

- Corporate Office
- Management Information Services
- Community Relations Unit
- Corporate Services
- Financial Services
- Canterbury Development Corporation
