

11. DRAFT PARKS AND WATERWAYS ACCESS POLICY

The Parks and Waterways Planner presented the Draft Parks and Waterways Access Policy to the Board for comment prior to its consideration by the Parks and Recreation Committee. The Board **decided** to recommend to the Parks and Recreation Committee:

1. That the Draft Parks and Waterways Access Policy be adopted.
2. That there be an acknowledgement that improving accessibility for people with disabilities can also create conflict with other users and that the Parks and Waterways Unit will need to manage these conflicts.
3. That the Parks and Waterways Unit be requested to upgrade three beach access points at surf clubs to enable people with disabilities to view the sea.
