

13. PEGASUS BAY RECREATIONAL REEF TRUST

The Senior Parks and Waterways Planner updated the Board on the concept of artificial surf reefs and the recent establishment of the Pegasus Bay Recreational Reef Trust. The Board **decided:**

1. That the information be received.
2. That the Board support the Pegasus Bay Recreational Reef Trust in initiating the feasibility study for an artificial reef at New Brighton.
3. That the Board initiate a Council/Community Board seminar on the artificial reef proposal, with Environment Canterbury and Professor Kerry Black of ASR Limited, in June or early July.
