

19. STREET AND GARDEN AWARDS AND COMPETITIONS

A report from the Parks and Waterways Area Advocate advised the Board on the outcome of this year's street and garden awards and informed the Board, as requested, on garden award schemes in Burwood/Pegasus. The Board **decided**:

1. That the information be received.
2. That the criteria for Street and Gardens Awards be set for the Burwood/Pegasus area to recognise the difficulty in establishing gardens in the harsh coastal environment and to encourage sustainable plantings.
3. That a Subcommittee be convened of Chrissie Williams, Glenda Burt, Caroline Kellaway, and Don Rowlands to formulate an award process for properties deserving of Community Pride Awards to be administered by Residents' Associations.
