

#### 4. CLYDE ROAD/PROPOSED PARKING RESTRICTION

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Brian Boddy, Area Engineer Fendalton, DDI 372-2724
--	---

The purpose of this report is to request approval for the installation of a two-hour parking restriction in Clyde Road (a collector road) south of Fendalton Road.

There is a significant demand for on street parking in Clyde Road between Hamilton Avenue and Fendalton Road coming from students, residents, shop customers, shop and garage staff. At present the long term parking demand leaves little or nothing for the shorter-term parkers.

Following requests from affected businesses and residents a parking survey was distributed in April to the businesses at 197 Fendalton Road, and 1 Memorial Avenue (both sides of the Clyde Road intersection), plus the residential properties on both sides of Clyde Road from No.s 120 to 136. Twenty-five responses were received to the survey, twenty-two supporting, and three against the proposed P.120 parking restriction on the east side of Clyde Road from opposite Hamilton Avenue to No. 132 Clyde Road applying from 8.30 a.m. to 4.00 p.m. Monday to Friday. The Parking Operations Unit have also been consulted and are in favour of the proposed restriction.

The Fendalton/Waimairi Community Board recommends that the existing P.5 parking restriction outside No.134 stay and the proposed two hour restriction should go from here to opposite Hamilton Avenue along the eastern side of Clyde Road.

**Recommendation:** That the parking of vehicles be restricted to a maximum period of 120 minutes between 8.30am and 4pm from Monday to Friday on the east side of Clyde Road commencing at its intersection with Hamilton Avenue and extending in a northerly direction for a distance of 110 metres.
