

1. DEPUTATIONS BY APPOINTMENT

1.1 Telstra Saturn - Update

John de Zwart from the Council's City Solutions Unit along with Gavin Thomas and Anna Shipley from Telstra Saturn provided the Board with an update on Telstra Saturn's city wide programme.

Aspects of the network architecture, indicative time frames especially in relation to the north west area of the city and the treatments so far provided for "sensitive areas", were elaborated on.

Members asked a number of questions and at the conclusion of the presentation, the visitors were thanked for the information provided.

The Board **received** the information report.
