

7. **ROSSALL STREET - PROPOSED PEDESTRIAN ISLAND**

The Area Engineer reported on the feedback received from local residents to the earlier circulated publicity plan for the construction of a pedestrian island in Rossall Street between Rhodes Street and Holmwood Road.

The views of one of the respondents who was unable to be present to address the Board directly, were circulated for the Board's consideration.

It was **decided** that the submission from Mr F Barker of 33 Rossall Street be received and that he be invited to address the Works and Traffic Safety Committee.
