

1. **COMMUNITY DEVELOPMENT FUND**

The Board considered a report from the Community Advocate requesting that \$5,500 from the Community Board Project Fund be transferred to the Community Development Fund. The timing of the allocation of funding by the Community Development Funding Committee meant that the item had to be considered prior to the Community Funding Committee meeting on 28 May 2001.

The Board **resolved** to transfer \$5,500 from project funds to the Community Development Fund.
