

**16. DENTON PARK (WESTERN SIDE)/KATHLEEN CRESCENT -  
RESIDENTS' PETITION FOR BOUNDARY LANDSCAPING**

The Parks and Waterways Manager sought approval, on behalf of the Riccarton/Wigram Community Board, of a landscaping concept plan for the western side of Denton Park.

As the concept plan involved the removal of a number of trees from the reserve, the plan was referred to this Committee for approval, as the Committee has delegated authority to approve the removal of trees from reserves land.

The Committee **resolved** that the landscape plan for the Kathleen Crescent boundary of Denton Park be approved.
