

8. SUPPLEMENTARY REPORTS - PUBLIC EXCLUDED

The Chairman referred to the following supplementary reports which had been separately circulated:

- Community House Relocation Possibilities
- Parklands Community Hall Extension Project
- Orion's Packe Street Site

The Chairman advised that it had not been possible to include these reports with the agenda. However, the matters were of such importance to be dealt with at this meeting rather than be deferred to a subsequent meeting.

It was **resolved** that the above reports be received and considered at the present meeting.
