

### 13. PROPOSED NEW ROAD AND RIGHT OF WAY NAMES

The Board was asked to approve three new road names for the Wigram Base residential subdivision, being WIG/20000523.

This further stage of subdivision creates thirty-four sections, to be served by three new cul-de-sacs running off Hurricane Way.

The Board **resolved** that the three names be:

- Mosquito Place
- Lighting Close; and
- Spitfire Close

In March 1999 the Board approved the use of three names as part of the (then) future residential development at the top of Kennedys Bush Road.

A new right-of-way has been created which will serve thirteen new sections.

For this subdivision, WIG/20003954, the Board **reaffirmed** the name "Quarrymans Lane" for the right-of-way.
