

14. REWI ALLEY CHINESE SCHOOL - REQUEST FOR FINANCIAL ASSISTANCE

A request for financial assistance had been received, via the Sockburn Advocacy Team, for the School's Director to attend a forthcoming National Chinese Language Conference in Melbourne.

In accordance with Board-agreed processes, the application has been discussed by the Advocacy Team. As the application did not meet agreed Board objectives the recommendation was that the application to be declined.

The Board **decided** to decline the application, but did note that the Advocacy Team would continue to work closely with the School.
