

23. CHILDREN'S DAY 2001

The Board discussed the options for Children's Day. It was suggested that toy cars be hired as an alternative to the boats, and that the Fire Brigade be invited to provide rides. The Chairperson suggested that a summary report of the evaluation forms from last year's event be sent to Fendalton/Waimairi.

The Board **resolved**:

1. That Option (B) be chosen.
2. That Fendalton/Waimairi be invited to contribute to Children's Day 2001.
3. That staff investigate partnerships with the Lions Club and the Papanui Club for this event.
4. That the further \$4,000 required for Option (B) be taken from 2001/2002 Discretionary Funds.
