

2. DEPUTATIONS BY APPOINTMENT

(a) **Raewyn Neil – Lagan Street**

Raewyn spoke to the Board regarding the Maple trees along Lagan Street including the one outside her property. Raewyn stated that the trees shade and drop leaves within her property. The leaves on the footpath also become slippery and dangerous when wet. The trees are approximately 15 to 20 years old. Raewyn has spoken to the other property owners with trees outside their houses and they would all like the trees to be removed and replaced with native trees. The Chairperson requested a report from staff on the condition of the trees and a recommendation on their removal and replacement.
