

20. BATTERSEA STREET: GOODS SERVICE VEHICLE LOADING ZONE

The Board considered a request to create a loading zone for goods service vehicles only in Battersea Street opposite the intersection on Dewsbury Lane.

The Board **resolved** that a loading zone for goods service vehicles only be created on the northern side of Battersea Street commencing at a point 150 metres measured in a westerly direction from a point opposite the western kerb line of Colombo Street, and extending in a westerly direction for a distance of 20 metres.
